Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a Colorado paddler who has always dreamed to see the Lochsa and experience the incredible whitewater it has to offer.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

With our wild places being our most valuable and limited resources, please don't threaten this incredible area so that we and future generations can enjoy this incredible river.

Thank you for considering these comments.

Sincerely,

Emma Donharl
