Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Brooke and I have been lucky enough to experience the rivers of Idaho my whole life. I learned to kayak and raft on these rivers and plan to take my children and friends their in the future to experience the power these places hold. Many of these streams and rivers contain some of the most spectacular white water our country holds.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Brooke Dunnagan.

Sincerely,
