Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

Our family rafts and kayaks rivers throughout the West. We believe it is critical to protect our rivers and streams for their environmental, ecological and recreational values.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Please protect these rivers and streams from development and preserve their value for future generations.

Thank you for considering these comments.

Sincerely,

Kerri Stroupe
