Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Wholesome, affordable vacations such as white water rafting are increasingly difficult to come by. Our family has enjoyed rafting several of these rivers annually for years. Please keep white water rafting on these rivers a viable way for families to spend quality time together away from technology

Thank you for considering these comments.

Sincerely,

Holly Gangle
