Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I was born in Idaho, live in Utah, returned to ID to live, and still travel there now. It is without compare for its forested beauty.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I ask that you see the lasting value of recreation in a pristine environment, something Idaho is surely becoming known for. They are without compare.

Thank you for considering these comments.

Sincerely,

Michael Wilson
