Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I live in Salmon Idaho and recreate on the Lochsa River, Selway River, and many of the tributaries.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Before you even consider removing the protection of these places I suggest you visit them yourselves. They can change you forever.

Thank you for considering these comments.

Sincerely,

Mac Cooper
