Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

My group of river friends is 20+ we love spending time on all these water ways, our rivers are something that make Idaho special and should be protected at all cost.

Thank you for considering these comments.

Sincerely,

Dirk Plumlee
