Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My husband and I frequently recreate in the Clearwater Forest and want to protect the scenic beauty and precious wildlife that exist there. It is truly a pure, natural treasure and should remain that way for all future generations.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final plan.

Thank you for considering these comments.

Sincerely,

Vicki Wiepking
