Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

The only time I come up to Idaho is to run your rivers,. and enjoy your back country which are great and I love to do,...these rivers and lands are worth your protecting. As population increases the the pressure on our forests and parks will increase. Protecting these resources NOW is an investment in our futures.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Jim Fuge
