Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am an avid rafter and all of the rivers in question are areas that I would like to use some day. Over the last four years I have rafted in ID, WA and OR.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report. The Wild & Scenic designation means that these rivers will be available to me when I get the opportunity to go. I have enjoyed numerous rivers which had this protection and would like to have more rivers open to experience.

Thank you for considering these comments.

Sincerely,

Dan Jones
