Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Bett Adams and I have driven from Tennessee to paddle these rivers multiple times and I hope to be able to bring my children there one day too. Thank you.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

These are resources that cannot be replaced once damned, diverted, drained and dammed.

Thank you for considering these comments.

Sincerely,

Bett Adams
