Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I live in Colorado and am an avid whitewater kayaker. I vacation in Idaho annually to run the many beautiful and wild rivers in "the whitewater state", as it is known amongst paddlers.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

The Nez Perce and Clearwater National Forests are beautiful areas, and I hope we can preserve the natural settings and current conditions of the rivers, streams, and forests within them for the benefit of all and future generations.

Thank you for considering these comments.

Sincerely,

Tim Kennedy
