Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I was a white water rafting guide on the Lochsa River for four spring run offs. This is one of the most beautiful river corridors I have ever had the pleasure to be in. The first is pristine and the history is rich. Lewis & Clark traveled through here and it needs to be protected.

Thank you for considering these comments.

Sincerely,

Michael Vargas-Williams
