Comments: URGENT Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Rivers as wild and scenic as these 89 are the lifeblood of the American dream. There is no future temporary economic development worth sacrificing the sanctity of these places.

As Thomas Jefferson once said, "In the environment, every victory is temporary, every defeat permanent." Please commit to the right side of history and protect these streams.

Thank you for your consideration

Sincerely,

Richard Horwath
