Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am from Arkansas and I make almost yearly trips to Idaho to run rivers and enjoy the wilderness of the state.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

In the history of this great country no one has ever looked back and said I wish we wouldn't have protected that land. People only regret the wilderness areas that we neglected to protect. The years have been at work on it and man can only mar it.

Thank you for considering these comments.

Sincerely,

Kristopher Kruger
