Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Wild and scenic rivers are a piece of refuge for people, animals, and plants. They support biodiversity and are places that inspire awe among the people who travel them. Please maintain the protections for these special places.

Thank you for considering these comments.

With river love and

Sincerely,

Christine Mullarkey
