Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I've lived in Boise my entire life and the white water is near and dear to me. Rafting is an amazing experience and it brings economic benefits and tourism to our state as we are a world class white water destination. Water is everything to Idaho.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Please, keep Idaho beautiful for generations to come.

Thank you for considering these comments.

Sincerely,

Christopher Pacold
