Comments: Keep these rivers wild and protected!

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National,

I am a white water rafting guide on the salmon river in Idaho. I have been for the past 4 years and it is my main source of recreation, livelihood, and joy.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Rivers throughout Idaho are important to us and we need to keep them protected!

Thank you for considering these comments.

Sincerely,

Samantha Zuch
