Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report. These rivers and streams are what keep me and my family coming back to this part of Idaho every year, and in my opinion what make your state and National Forest system one of the best.

Thank you for considering these comments.

Sincerely,

Thomas Hayes
