Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

A kayaker for 25 years, I have had the privilege of paddling the Lochsa River several times and it is a treasure. I look forward to returning for future trips as well as aspiring to paddle the Selway River in the near future. I hope to one day share these experiences with my daughter.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

John Cramp
