Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

This streams, and the Idaho rivers that my family and I drive from Oregon to visit, are special and deserve protection!

Thank you for considering these comments.

Sincerely,

Catherine Tyler
