Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Reuben Simpson and I am an Idaho native and river enthusiast. I have been kayaking for three years and enjoying Idaho's rivers my entire life. Kayaking has given me a new appreciation for our water ways and shown me how much these rivers mean to the people of Idaho. They hold value and memories for almost everyone who has spent time in these regions.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

The protection of these rivers also means the protection of memories and experiences that will be had.

Thank you for considering these comments.

Sincerely,

Reuben Simpson
