Comments: I ask you to please consider how important these rivers are not only to the economic reasons but to the individuals as well. I have been rafting and kayaking the lichsa for 15 years. We need to protect these rivers at all cost

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Austin Crisp
