Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report. These watershed represent the last stronghold of wilderness in the lower 48 and we need to protect them. Potentially losing these lands for would be permanent, devastations loss for future generations.

Thank you for considering these comments.

Sincerely,

Paul Kelly
