Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a boater from Colorado, frequently travelling to Idaho for it's pristine rivers and national forests. The beauty of the state is unmatched and I truly hope for it to be there for my children to enjoy.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

The wilderness of Idaho is so unique and inspiring, frankly we don't have a lot of space left in such condition. I hope we won't take em for granted.

Thank you for considering these comments.

Sincerely,

Joel Wenblad
