Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a river guide and river lover. These rivers are vital to my ability to earn a living.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Whatever the projected benefits of stripping away the protection for these rivers, it will never outweigh the benefit-financial, environmental, recreational, and spiritual-of keeping them intact.

Thank you for considering these comments.

Sincerely,

Allison Bray
