Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am an Idaho native living in Montana. I travel home to see family regularly. I usually travel from Lolo, MT over the pass and down the Lochsa/Clearwater to Kooskia before heading south to McCall. I love that part of Idaho!

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Our children deserve this.

Thank you for considering these comments.

Sincerely,

Brett Thackeray
