Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My first time guiding a raft that flipped was in Lochsa Falls. It was a great experience. I am now a raft guide in Oregon, working with a nonprofit that takes at risk youth into the wilderness. Wild and scenic areas bring healing and peace to all of us, and it is important to be that those areas are protected for the youth I work with and for future generations.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Sara-Anne Kichenmaster
