Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report. I've lived in Idaho all my life and the time I've spent outside enjoying our forests and rivers has been one of the best parts of my life. Idaho's rivers and streams are some of our greatest treasures and I hope that my children too, will be able to enjoy them as I have. We must protect these waters for future generations and the future of Idaho. Please continue to protect these great waters so that Idahoans can continue to fish and paddle these amazing waters.

Thank you for considering these comments.

Sincerely,

KELLEN WILLIAMS
