Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I have rafted the beautiful and protected Salmon river and would love to get the chance to raft other rivers such as the ones being considered in this proposal in a wild and free state.

Thank you for considering these comments.

Sincerely,

Brian Jorgensen
