Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

Hi, my name is Allie Morrow. I moved from southeast TN last year to Whitefish, MT. I got to experience the Lochsa River for the first time this past summer. Out of all the new rivers I experienced this summer, the mighty and wonderful Lochsa was for sure a favorite.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Allie Morrow

Whitefish, MT 59937
