Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a rafter and love these streams that are connected with some of the best whitewater in the country.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

[INSERT any specific opinions you have that support continued protection of any specific streams listed in the Draft Suitability Report]

Thank you for considering these comments.

Sincerely,

Richard Luiten
