Comments: Protect these wild rivers in Idaho!

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am from Colorado but I have rafted and kayaked these beautiful rivers in Idaho and they should be eligible for the Wild and Scenic Designation.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

So many of the rivers in the US unprotected and dammed. We need to protect all that are left free and wild. The future of the human species depends on wilderness.

Thank you for considering these comments.

Sincerely,

Jim Horan
