Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I am not from the area at all. I actually drive out there a couple times a year all the way from St. Louis, MO. These rivers are amazing. I absolutely love spending time with Idaho locals, spending time in the woods, having the opportunity to kayak these beautiful rivers. Please keep these gems available for future generations and people all over the world to come appreciate. I would not be the person I am today without the Lochsa.

Thank you for listening,

Josh

Sincerely,

Josh Mann
