Comments: Please protect Idaho's rivers!

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I have been enjoying Idaho's wild and scenic rivers and creeks for the past two decades via raft and kayaks. Access and protection of these waterways is invaluable. Please protect our rivers for use today and generations to come.

Thank you for considering these comments.

Sincerely,

Colin Corcoran
