Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Catherine Dube and I currently live in Canada. I'm an outdoor enthusiast and a white water kayaker. I have been travelling all over the world to kayak and sure hope to experience these beautiful rivers of Idaho and USA in all their glory! Not a compromise state we are considering for short term business views.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

It is important to protect these watershed for us and for future generations. Everything we do now will impact nature and life enjoyment of communities, wildlife and future generations.

Thank you for considering these comments.

Sincerely,

Catherine Dube
