Comments: Personal Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to you from my home in Atlanta, Georgia. While I am a long ways away, the decisions made concerning the 89 streams that you have found eligible for Wild and Scenic designation is of great importance to me. I would like to request that those 89 streams remain protected as eligible in the new forest plan. Additionally I would like to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Wild and scenic rivers are dear to my heart. I have countless cherished memories from the Wild and Scenic Chattooga river here in Georgia, and couldn't imagine my life without that incredible resource. Idaho, and her incredible rivers and streams, are high on my list of travel destinations. Indeed, the rivers of Idaho are incredible meccas for nature lovers, paddlers, and outdoorsmen (and women) of all stripes. Please keep these incredible treasures safe for all Americans to enjoy as good intended.

Thank you for considering these comments.

Sincerely,

Nathan Polley
