Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am an avid white water kayaker and absolutely love idaho's wilderness. I moved from Colorado to idaho to enjoy the pristine rivers. I own and operate a small business in McCall.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

The rivers need to be protected from mines, dams and timber harvest. The water and rivers are true gems that need to be protected. The Lochsa corridor is one on my favorite rivers in the states and river enthusiasts come from everywhere to enjoy these rivers.

Thank you for considering these comments.

Sincerely,

Lisa Marie Glodowski
