Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I live in Tennessee but I have spent significant amounts of time in the last two summers recreating on the rivers of Idaho. This summer time paradise of white water paddling, camping, and quality time spent in the wilderness is invaluable.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Please consider protecting all of the eligible streams in the report. Idaho is a magical place that will only be made better with greater recreational opportunities.

Thank you for considering these comments.

Sincerely,

Crisler Torrence
