Comments: Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

My family and I live in WV and have traveled in multiple occasions to these wild and scenic rivers that we love.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Jake Bolen
