Comments: Please save our rivers ...On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I live in CO but have had the wonderful experience of Idaho's rivers and their glory.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Please find them ALL suitable as we cannot go back if they are not.

Thank you for considering these comments.

Sincerely

Lisa Bowles
