Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

These river make up some of my favorite areas in the world. Every year I spend a significant amount of time recreating in these drainages. Please protect these drainages for future generations of boaters, fishermen, and the general public. These areas are part of what makes Idaho great. Please keep it that way.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

David Gardner
