Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest

My name is Sam Lowenthal and the upper clear water drainages are special natural places to me. I feel strongly that they should be protected for future generations to row, fish and paddle on. There are regions left in the USA to experience nature minimally impacted by humanities' sprawling consumption.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final.

Thank you for considering these comments.

Sincerely,

Sam Lowenthal
