Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

As a hydrology major and river enthusiast, I feel obligated to let you know how important these wild river corridors are to myself and countless other individuals in this country. There are enough places that we have butchered for the sake of financial profit, and I'm writing to let you know that we all profit from clear, healthy streams, the ecology that they provide, and the wilderness experience they create.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Zach Whitt

Sincerely,

Zach Whitt
