Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Crystal, I live in Dryden WA. I am a whitewater boating enthusiast and try to visit the Lochsa and Selway rivers at least once a year. These rivers are such a beautiful escape and treasure for everyone. Not only are these gorgeous rivers a big part of my life but I know they must attract thousands of tourist each year to the state.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely

Crystal Clabaugh
