Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I'm originally from TN but have found myself lucky enough to have relocated to Ketchum Idaho for the past 3 years. I have in the past 5 years been able to experience the magic of ID rivers.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

ID is a unique state in that it hosts so many incredible rivers and corridors for many wildlife and fish. It's in my opinion the best collection of whitewater in the nation, maybe the world! Please protect our precious watersheds.

Thank you for considering these comments.

Sincerely,

Claire Cripps
