Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I live in Colorado but count my blessings every time I get to spend time on Idaho's remarkable rivers. You whitewater state is truly life giving on so many levels.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

It is time for us all to take actions that protect and conserve our nation's beautiful environment. We are all connected.

Thank you for considering these comments.

Sincerely,

Nan Campbell
