Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

We can't continue to utilize our natural resources for short term profits. We all need clean air and water, and by we I mean all the other life on this planet as well. Remember we all live downstream ...

Thank you for considering these comments.

Sincerely,

chris connolly
