Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I recreate in these areas often, I am a whitewater kayaker, and feel very strongly they should remain protected and free of anymore development or industry that could impact the natural beauty and health of these places.

Thank you for considering these comments.

Sincerely,

Christian Summerhays
