Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

These rivers are a highlight of Idaho's beauty and are something truly unique to cherish here. Having these remain protected is going to ensure those experiences will be there for generations to come. I have paddles hundreds of miles of rivers, and these rivers are unlike anything else that exists. Please ensure it remains this way.

Thank you for considering these comments.

Sincerely,

Kendra Carpentier
